***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance:

With reference to claims 4-23, 26-28, & 31-33, the prior art of record does not disclose or clearly suggest a retractable rule assembly comprising a relatively short free end portion of said blade having a film of plastic material overlying said protective coating on at least one of the convex and concave side of the blade, said end portion of said blade having said film being curved in a longitudinal direction of said blade when said blade is fully retracted, in combination with the remaining limitations in the claims.

With reference to claims 24 & 29, the prior art of record does not disclose or clearly suggest a retractable rule assembly comprising a relatively short free end portion of said blade having a film of plastic material overlying said protective coating on at least one of the convex and concave side of the blade wherein said film has a longitudinally curved portion along a longitudinal direction of said blade when said blade is fully retracted within said housing, in combination with the remaining limitations in the claims.

With reference to claims 25 & 30, the prior art of record does not disclose or clearly suggest a retractable rule assembly comprising a film extending along a section of the circumference of said blade that has been wrapped around said reel, in combination with the remaining limitations in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
